## DUMPER JET

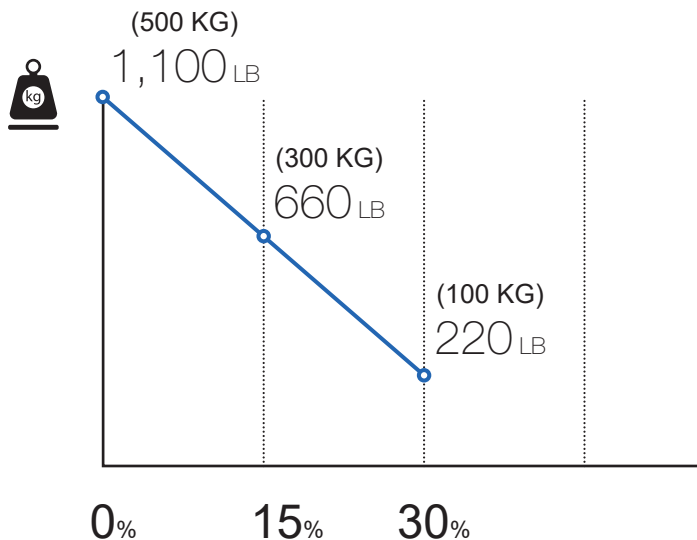

Get more done in less time with the Dumper Jet electric wheelbarrow. Designed to transport loads up to 1,100 lbs/500 kg, you can move materials with less trips and physical strain than with your standard wheelbarrow.

**The Dumper Jet's steering system makes it easy to use the machine in tight spaces. The unique electronic control and drive system features semi-automatic tilting for controlled and secure discharge of material.**

Featuring anti-pollution, noise and fume reduction systems, the Dumper Jet electric wheelbarrow can be used inside or outside.

A variety of accessories are available so the Dumper Jet's capabilities can be adjusted to meet the demands of the job site. The unit is designed to make it a quick and easy process to change out accessories.

The Dumper Jet electric wheelbarrow is CE, UL and ANSI approved.
