

# Making Work Easy™

Need to move pianos, safes, copy machines, vending machines, air conditioners, appliances, engines or other cumbersome items? Turn to the E-Z Climber™ stair climber – the ideal partner to help you move heavy and bulky objects, whether up and down stairs, across indoor flooring or outdoor terrain or loading into or off of a vehicle.

Moving has never been easier – or safer – thanks to the E-Z Climber's intuitive 4 function operation: drive, lift, adjust (load platform) and rotate.

## THREE MODELS TO CHOOSE FROM

Choose the price point and features that meet your needs. All models can carry up to 1,322 lbs.

### E-Z Climber 1300™

- Easily maneuver loaded machine with intuitive actuator and proportional joystick controls
- Safely conquer stairs and slopes up to 45%
- Save time and money on the job with one-person operation

### E-Z Climber 1300/H™

- Keep product in horizontal position at all times with horizontal, hydraulic platform

### E-Z Climber 1300/V™

- Raise hydraulic platform into vertical position, secure load, then lower platform back to starting position
